

Nursery home learning ideas

The following ideas are to help your child become school ready. If they are going to continue in Nursery in September the following will be a valuable resource for you to work on.

- Use a knife and fork independently.
- Go to the toilet independently.
- Wash hands.
- Wipe nose.
- Ask for help if you do not feel well.
- Dress independently and put coat on.
- Tidy away toys and look after your own things.
- Have a good bedtime routine which includes a story to relax to.
- Counting objects in the house.
- Recognise some familiar numbers.
- Ask lots of questions about the environment and what is happening.
- Be able to share toys and take turns.
- Talk about yourself, your needs and your feelings.
- Recognise my name.
- Retell stories.
- Follow instructions.
- Understand the need to follow rules.
- Sit and listen for a short while.
- Enjoy colouring in and mark making.
- Practise holding a pencil.
