PE Maths English S	Suggested Indoor Activities	Suggested Outdoor Activities		
Try your best to be physically active for at least an hour per day. We recommend: Joe Wicks https://www.youtube.com/u ser/thebodycoach1 Joe does a daily 30minute PE lesson for children and families. It's a great way to start the day. You could also try Cosmic Kids Yoga This is a great way to practice mindfulness and keep yourself stretched and supple. Challenge: Don't forget to earn your trophies by doing the sports challenges. Miss Millward is posting two a week on the main Parent Hub channel. Times Table Practise: https://www.timestables.co.uk/ / This week, we would like you to practise your 12 times tables. Don't forget you can also use Hit the Button. If you can get more than 30 in a minute – make sure you know the inverse. Get someone to test you and have a go at the tests as well. Let me know how you got on. Maths lessons: We have uploaded this week's White Rose Summer Block on Parent Hub: Mass and Capacity • Compare capacity • Add and subtract capacity •	his week's suggested indoor topics are: science ind music cience cience cimal Magic! or this challenge – Pick an inimal. Iow imagine you've been sked to tell people all about in Maybe you work at Dudley in an inimal in a power in a search and find in the 6 most important in the 6 most in a roup? Etc in a power in a roup? Etc in a condition in a roup? Etc in a power in a power in a roup? Etc in a power in	This week's suggested outdoor topics are: PE and DT Below is a site called Childhood 101. It's packed with things you can do – here's just a few: Learn to juggle – if you haven't got balls roll up some socks Build a den – ask if you can borrow any old large pieces of material like sheets or blankets. Make a sticks and stones picture. Remember to take care and always ask if you can borrow things. https://childhood101.com/25-ways-to-have-fun-outdoors/ A Family Sound Walk. Ask one of your family grown- ups if you can go on a walk together. Make sure you stay safe. Everyone 5 minutes, stop safely and listen to what sounds you can hear.		

Remember to show us what you've been getting up to via the email link for Year 3:

<u>year3@kates-</u> hill.dudley.sch.uk Please use the power points to see what they have to do, the worksheets (if you can't print them off) can be viewed on a device and use pencil/paper to work them out as best as you can and the answers are also available.

If you are unable to download or print these resources, please go to: https://whiterosemaths.com/homelearning/year-3/ click on week 5 for Year3 for daily lessons and activities.

The work is all about multiplying by 4 and 8.

Challenge:

If you'd like a further maths challenge, you could add some website links such as NECTM, bite size or the following White Rose link to have a go at the problem of the day:

https://whiterosemaths.com/res ources/classroomresources/problems/

Spellings:

Words ending sion

fusion mission
session invasion
pension television
division confusion
decision collision

Practise them every day, draw them in different colours, draw around them and put them in sentences. On Friday ask someone to test you.
