

Maths Activities Week beginning 20/4/20

Year 5,

Please follow the link below and start with Week 1, each day complete 1 lesson and move onto the next one the following day. There are 5 lessons for this week. If you want to do some extra maths we have also included a spring maths booklet.

<https://whiterosemaths.com/homelearning/year-5/>

You will also find the answers in this section which you can use to check your work, or get a parent to mark it.
