

Hi! mate 😊

Should I tell you the do's and the don'ts for social media.

- 1 Make a private account.
- 2 Put a random name.
- 3 Don't share personal things.
- 4 No face pictures.
- 5 Don't talk to people you don't know.

6 Don't use social media if you're young.

Design Your Own Video Game!

Use this sheet to plan your video game. Think about the characters, setting, and what the player needs to do!

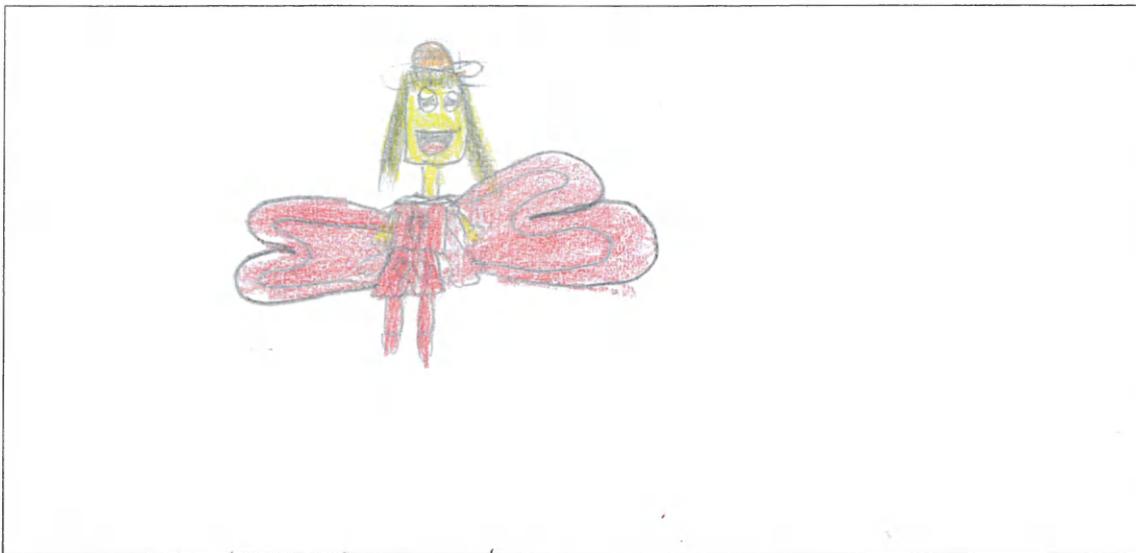

1. Game Title

Write your game title below:

Mineblock

2. Main Character

Draw your main character in the box. Then label them.

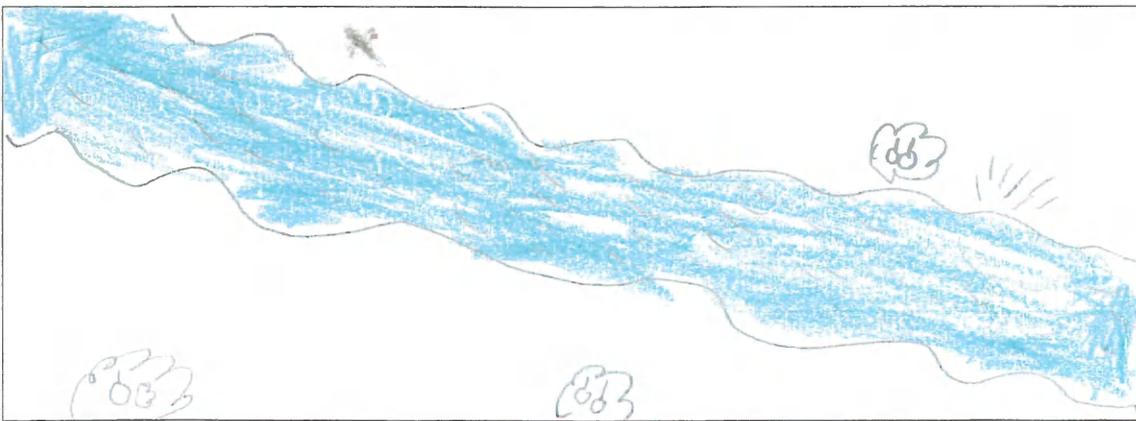

Character name: Butterfly girl

What can your character do? Fly, turn invisible, and speed run and spawn any animal.

3. Game Setting (Where does the game take place?)

Draw or describe your setting below:

4. What is the player's goal?

Example: rescue someone, collect coins, escape a maze.

Write your idea here:

Survive the night and day
without getting caught by
the vicious toddler and save the
baby.

5. Enemies or Obstacles

Who or what tries to stop the player? Draw or list them below.

6. Special Features or Power-Ups

What fun things can the player find or use?

A sword and a golden crown and
a key and power ups.

How can we use social media safely?

!16+!

- **WhatsApp** - safe or unsafe?

This app can be used for people under age, but you would have to use it safely and talk to people you know in real life.

16+

!13!

- **Instagram** - safe or unsafe?

This app is used for people over 13. Though some young people use it, it may be used safely, but you can only use it if your parents allow you!

+13+

The 5 rules for online safety! And the 4 DO NOTS!

- If upset about something online, tell an adult!
- DO NOT talk to strangers online!
- DO NOT turn your location on!
- DO NOT tell a stranger your password!
- DO NOT tell a stranger your address!
